Re: CC Docket No. 02-6
Billed Entity Number: 143524
471 Application Number: 364589
Funding Request Number: 1021652

This letter is in response to the denial of our Funding Request issued by Universal Service Administrative Company dated June 3, 2003. I am hereby filing an appeal with the Federal Communications Commission and requesting a further examination of our application.

Our original 471 Application Number 364589 was submitted along with several other applications which were all complete and filed in a timely manner. Application Number 364589 was inadvertently mailed without a certification signature. Once we were informed of this oversight, the form was immediately signed and returned to the Schools and Libraries Division with our letter of appeal.

Our original application was submitted within the filing window and was complete in every respect except for the signature. Therefore, we respectfully request a further examination of our application and appeal the decision issued by Universal Service Administrative Company.

Should you require any additional information, please contact me at (562) 799-4700, ext. 448, or Sally McCann, (562) 799-4700, ext. 443.

Your consideration of this request is greatly appreciated.

Sincerely,

Ruben P. Frutos
Business Manager
